# Problems Valnet Faces

1. Many libraries each with different needs
2. Needs of library districts vs standalone libraries
3. Needs of school libraries vs public libraries

# Many libraries with different needs

What are some of the differing needs in Valnet?

- Fines or no fines
- Differing circulation periods
- Purchase Suggestion requirements/limits

# Purchase Suggestion jQuery

IntranetUserJS

**Notes:** Please ask patron if they would like ILL if not purchased by the library and put 'ILL yes' or 'ILL no' in the notes field. Also please initial.

- Purchase Suggestion Collection Development

# Purchase Suggestion Collection Development

## Suggestions management

else {

```
$("#suggestiontabs li:contains('LCLD Accepted')").hide(); }
```

## Suggestions management

# School Libraries

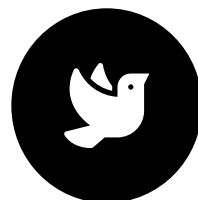

- Set hard due dates
- Calendar Closures
- Turn off pickup location
- Add news to the OPAC
- Hide those branch's items from the OPAC

# School Libraries

```
.$("option[value='ASH']").attr("disabled","true").append(' - Closed for the  
Summer');  
  
.//To block patrons from selecting ASH as a pickup location:  
  
.if($("select[name='branch']:selected").val() == "ASH") {  
  .alert("Your home branch is closed for the summer. Please select a different  
  pickup location.");  
  .$("select[name='branch'] option:contains('Asotin High)').prop("selected",false);  
  .};
```
